

# We're Connected!

You're invited to an open house celebrating the completion of high-speed broadband to Dayton!

Join with community leaders to find out how high-speed Internet access will benefit businesses, schools, hospitals and residents of Dayton and Southeast Washington. Complimentary snacks and refreshments provided.

## For More Information

Please contact [info@washingtonbroadband.org](mailto:info@washingtonbroadband.org) or 206-652-9506.

Tuesday  
February 19th  
**2013**

2:00-3:00 PM

Dayton Memorial  
Library

111 S. 3rd Street  
Dayton, WA 99328

*NoaNet is overseeing construction of two federal American Reinvestment and Recovery Act grants to bring high-speed Internet access to hundreds of schools, hospitals, emergency response agencies, libraries, colleges and universities in underserved communities across Washington State.*
