Intellicheck Mobilisa Subsidiary Awarded Wireless Contract

Published: December 19, 2012

By BUSINESS WIRE

Mobilisa, Inc., a wholly owned subsidiary of Intellicheck Mobilisa, Inc. (NYSE MKT: IDN), was awarded a wireless contract worth \$671,962 from Jefferson County Public Utility District and the Northwest Open Access Network (NoaNet).

This new contract is specifically focused on improving wireless broadband access for governmental, medical, educational, public safety as well as other important social services. The work is to begin immediately and expected to be completed by August 2013.

“We are pleased to have competed and been selected to provide our wireless technology and services for this important project,” said Dr. Nelson Ludlow, CEO of Intellicheck Mobilisa.

Funding for the project is from National Telecommunications Information Administration’s Broadband Technology Opportunities Program (BTOP) Round II.

About Intellicheck Mobilisa

Intellicheck Mobilisa is a leading technology company providing wireless technology and identity systems for various applications, including mobile and handheld access control and security systems for the government, military and commercial markets. Products include the Fugitive Finder system, an advanced ID card access control product currently protecting military bases and secure federal locations; ID Check, a patented technology that instantly reads, analyzes, and verifies encoded data in magnetic stripes and barcodes on government-issued IDs, designed to improve the Customer Experience for the financial, hospitality and retail sectors; and Aegeus, a wireless security buoy system for the government, military and oil industry.
